PRESS NOTE.

In a Press Note issued on 12.7.1948 the Government, announced that applications for permission to operate new printing presses will not be entertained by the Director of Controlled Commodities, Madras until further notice. The supply position of paper in the Province has not improved. The Government, however, desire to make it clear that while they do not want to encourage the opening of new presses at the present juncture, they have no objection to persons or institutions, who have already made commitments by way of purchase of machinery, buildings etc., and have incurred financial liabilities, applying to the Director of Controlled Commodities, who will consider each application on its merit and grant permission wherever necessary.
